NT300-US	Upholstered Shirred	147.00	n/a

All pole prices are per foot. Each pole is cut to exact size, price is rounded up to the next full foot. Maximum wood pole length in one piece is 16 ft. (192"). Poles longer than 16 ft. will be spliced. Splicing will be centered unless otherwise specified. Traversing tracks are available in one piece up to 20 ft. Center opening traversing tracks over 16 ft. will be center spliced to match wooden pole unless otherwise specified. One way draw tracks over 16 ft. up to 20 ft. will have the wood spliced in center unless otherwise specified.

Brackets are not included with the Full Round Poles and must be purchased separately. Concealed brackets with 4" return are included with all Traversing and Non-Traversing poles. For longer projection brackets - see the Custom Brackets section on page 8.

Motorization is available with Traversing poles, see page 10-11 for more information.

Packaging & Shipping

PACKAGING/CRATING/PALLETS

- Packaging charge - \$7.50 per total feet of poles per order, with a minimum packing charge of \$50 NET pricing.
- Custom crating for Bays and larger orders please call for quote.
- Larger orders with multiple boxes and/or crates will need to be palletized. Please call for quote.

SHIPPING

- All packaged products will be shipped via UPS whenever possible to reduce freight costs. Any package over 108" in length will be shipped via common carrier. Whenever applicable, poles can be spliced to save freight expense.
- Splicing is recommended for finished pole sizes over 100" to reduce the cost of freight charges. Please specify when ordering. Please note that these typically come in multiple packages and could be separated at time of shipping.
- Lancaster prepays all freight charges but will add the charges to your invoice for reimbursement. Freight cost may be quoted, actual freight costs will be added to the invoice at time of shipment.
- If you wish to use your preferred freight carrier, please provide your account information.

J.L. Anthony offers the Somfy Glydea system featuring the 60e RTS motor. This motor is ready to interface with most home control systems by utilizing the built-in RTS and Dry Contact Closure capability. J.L. Anthony offers Somfy's complete drapery motor range. All pricing is for a single track system with a single 60e RTS motor. All controls and other motor options are additional cost and are priced separately. Tracks are available in: **Silver, White, Gold, Dark Bronze, Black and Linen White**. Curving is available upon request. Glydea Manual option is now available as a baton draw. Batons priced separately, see pricing options below.

Svelte traversing drapery hardware is a slimmer, more contemporary interpretation of decorative drapery hardware. The small profile wooden fascia is available in a wide array finishes with your choice of Cap or Block finials or the ever-popular Mitered Elbow Returns. The built-in manually traversing tracks is color coordinated with the finish. Cord or baton draw options. See surcharges for baton options.

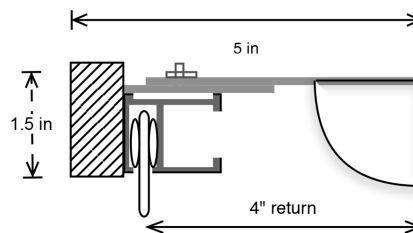

Svelte greatly simplifies the motorization process with built-in tracks that accommodate Somfy Glydea, Lutron, or BTX Classic motors. Ask about our COM program for dealer provided motorized tracks.

- Over 40 J.L. Anthony standard and premium finishes.
Custom Finishes too! (Additional charges may apply)
- Available up to 30' spliced or 15' without splice drapery rod widths.
- Three rod end styles: Cap finial, Block finial, or Mitered Elbow returns. (included in price)
- Carriers for Pleated or Ripple-fold style drapery available.
- Curving and bends not available with Svelte
- See Glydea Motorization page for Control options and costs

J.L. Anthony - Terms of Sale

Terms of Sale All orders require a written purchase order along with a deposit of at least 50%. The balance is due prior to shipping. All orders are custom and cannot be cancelled. Any changes to an order once it has been accepted for production are subject to a \$25.00 (net) change order fee in addition to any extra cost for the changes. There is a minimum invoice amount of \$25.00 net on any order. There is a minimum order amount of \$150.00 net on any finished products. Any order shipped will be subject to a \$25.00 net minimum packaging charge.

Balances are due immediately upon notification of completion. Shipment will not be arranged until balances are cleared. Any shipment left in the factory for more than 30 days after notification of completion will be subject to storage fees of \$5.00 per day and interest of 18% APR on any balances due. All fees and interest must be paid in full prior to products being released for shipment.

Cancellations, Changes & Returns All orders are custom and cannot be cancelled once the order has been accepted for production. No returns are accepted. This includes any product that has been cut, finished, or customized in any way. Any changes to product specifications once production has begun will be subject to additional charges. Any product approved for return for credit will be subject to a re-stocking fee of at least 50%.

Standard Production & Shipping To maintain industry standards, production time is determined from the receipt of a complete order (purchase order; deposit, samples and/or fabric as required). Orders that include bay windows may have an additional lead time. Strike-offs for custom finishes may add additional time. All orders shipped are F.O.B. Dallas factory. Customer is responsible for all freight charges. Balance due must be received prior to shipping. Whenever possible, orders will be shipped UPS or similar and freight charges will be added to the balance due.

Orders too large to ship in this manner will be shipped prepaid by ground freight, common carrier. JLA will select the freight carrier unless otherwise specified. When a preferred carrier is requested, shipment will be sent out freight charges collect. Recipient of freight is responsible for notifying freight company and factory immediately upon receipt of any apparent damage to the shipment. Concealed damage claims must be filed within 48 hours of receipt of shipment. Failure to do so may result in loss of all claims for damages.

Quick-Ship Program In an effort to assist in emergency situations, Quick-Ship arrangements are available. For Standard or Premium finished products, shipping can be arranged to expedite upon receipt of a complete order; if available. Required samples, strike-off approval, or any COM materials may be required for production. An additional 30% rush surcharge will added to the total sale. Strike-offs for custom finishes may add additional time. Balance must be paid in full prior to shipping. Expedited freight charges will be additional.

Warranty J.L. Anthony guarantees its products against manufacturers defects for one year of normal interior use. Products used in a manner for which they were not designed will not be warranted. Guarantee covers product only. Freight, installation, and service charges are not covered. J.L. Anthony will not be responsible for any charges by installers, electricians, carpenters, etc. that may be required for proper installation and operation of the products.

J.L. Anthony will not be responsible for any damage or malfunction that may be the result of improper installation or abuse. The function of any unfinished traversing poles and rings that have been disassembled, reassembled, and/or finished by anyone other than J.L. Anthony cannot be guaranteed.

Any claim for warranty replacement must be in writing describing the product failure and must be accompanied with photography showing the installed product and the parts in question. (E-mail and digital photos are acceptable). The purchaser is responsible for removal and return of any product to be sent back for repair. Any item to be returned for repair must be accompanied by a Repair Authorization number (RA#).

Shipment Damage and Freight Claims *Recipient of freight is responsible for notifying freight company and factory immediately upon receipt of any shipment with apparent damage. The delivery company driver must make note on the freight receipt at the time of delivery. Concealed damage **claims must be filed within 48 hours of receipt of shipment.** Failure to do so may result in loss of all claims for damages. All replacement products must be purchased by the recipient. All freight company reimbursements will be credited to the purchaser. Photo documentation of any damage or loss is required on any claim.*

J.L. Anthony Standard Terms of Sale apply to all prices. Prices and design modifications are subject to change without notice.
